

1

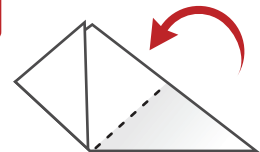

Fold a Vanity Fair® Napkin diagonally to form a triangle.

2

Turn the folded edge so it faces you. Fold the bottom left corner up to the head of the triangle.

3

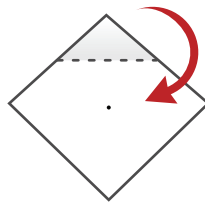

Fold the bottom right corner up to the head of the triangle to form a diamond.

4

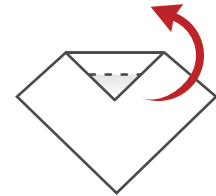

Flip the napkin over.

5

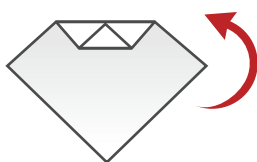

Fold the top of the napkin down so the point touches the center.

6

Fold the smaller triangle up so the point rests on the near edge of the napkin.

7

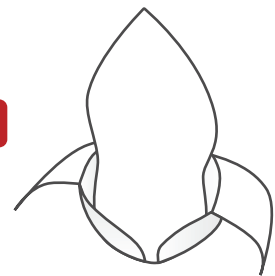

Flip the napkin over, keeping the folded side on the bottom.

8

Curl the left and right sides of the napkin up so they meet in the middle and tuck one side into the other.

9

Stand the napkin up and tug at it as needed to even it up and round it out.
Now you're ready to set your table.
